

Thank you for taking a few minutes to explore 360Man and the possibility of becoming a valued partner in the 360Man network. I am excited to share with you the process to become a 360Man.

## What is a 360Man?

A 360Man is committed to living the principles, behaviors, and plans that God has given to each man regardless of his background, vocation, life story, or calling. He is consciously following the teachings described in Acts 2:42-47. This gives each man a guide to follow in his daily life.

- **WORSHIP** - A 360Man worships Jesus Christ from his inward focus of prayer and intercession to his outward praise with all that is within him.
- **DISCIPLESHIP** - A 360Man reads, reflects and studies the Scriptures. His faith will increase when he takes the courageous step to learn.
- **FELLOWSHIP** - A 360Man recognizes the importance of relationships and values the daily fellowship he has with Christ, enjoys connecting with people of faith, and seeks God for wisdom in his relationships.
- **SERVICE** - A 360Man embodies the servant mentality as he is used by God. Every simple act of kindness is an intentional act of ministry.
- **SHARE**: A 360Man knows that sharing his personal story to a lost and hopeless world is paramount and believes that God's hope is for all people.

## Why is becoming a 360Man important?

Every man wants to make a difference! The problem is difference makers are not born, they are made. Every 360Man understands the importance of a brotherhood of faith (a spiritual band of brothers). A 360Man stands with those who are tired, those who believe all is lost, and those who need the light of Christ in their lives. Every 360Man stand with others in Christ and is led by the Holy Spirit to MAKE A DIFFERENCE!

## How do I become a 360Man?

We need every 360Man to help sustain this ministry. A 360Man accepts the responsibility of investing \$30 per month which will be used to sustain the following ministries:

1. ***FireBible*** - one-third of your monthly gift will go towards making a significant investment to the *FireBible* in critical areas around the world. The *FireBible* is the number one Study Bible in the world and is the official Bible of Men's Ministries. Your gift will assist us in launching new *FireBible* editions, reprinting existing *FireBible* editions, or aiding in the development of the next *FireBible* language translation project.

2. **District/Network Men's Ministries** - another third of your investment will support your district/network leadership teams with ministry opportunities for men to gather for fellowship, discipleship, missions, service, and worship. This investment will assist in presenting the Men's Ministries Discipleship Resources to churches, small groups, and special groups in your area. This will also help provide partnership opportunities for the equipping of leaders in your region.
3. **National Men's Ministries** - the last third of your gift will assist the national team as they continue to create discipleship resources and provide support that will bring a greater dimension of focus, clarity, purpose, identity, relationship, and vision. The national team will supply opportunities for men to travel on international missions trips, Holy Land trips, and regional trips and/or retreats that will encourage men and bring added value to each man's life.

### **What resources are available to a 360Man?**

1. Each month, every 360Man will receive a digital or mailed copy of 360 SPOTLIGHT, a resource for connecting men to the discipleship and missional frontlines in the areas of interest for his personal, spiritual, and vocational life. This publication will focus on men's topics, missions projects, missionary stories, *FireBible* updates, and discipleship updates throughout the year for men in the local church.
2. The 360Man will have access to various resources and updates via the 360Man, National Men's Ministries, and their district/network websites.
3. The 360Man knows that he is involved in a network bigger than himself. This network gives him the tools to fulfill the Great Commission by living out the Great Commandment.
4. Becoming a 360Man creates a safeguard for every man to realize that he is not alone in this journey of manhood. Even if he is timid at first and quietly studies, the Holy Spirit will give him opportunity and courage to step up and lead. Every 360Man will have the resources and network to pray, lead, serve, grow, connect, worship, and go in every aspect of manhood.
